Re: *Barrientos v. CoreCivic, Inc.*, 4:18-cv-00070-CDL (M.D. Ga.) Document Subpoena to Trinity Services Group, Inc., Third Meet and Confer Follow-up

Dear Jonathan,

Thank you for speaking with us on Friday, November 13, 2020, regarding Trinity Services Group, Inc.’s (“Trinity”) responses and objections to Plaintiffs’ Document Subpoena. This letter is intended to summarize our discussion.

With respect to Plaintiffs’ Request 2, you and in-house counsel for Trinity, Alex Chosid, agreed to provide us with the following information by early next week:

- The total number of emails sent and received in the past 7 years in the Trinity email inbox dedicated to Stewart Detention Center (“SDC”);
- Of those emails, the total number that are sent to or received from a CoreCivic email address; and
- The emails responsive to the first seven search strings on Plaintiffs’ Proposed ESI Search Terms sent to you on October 26, 2020, as well as the search string beginning with “pay” (rows 1-7 and 11).¹

You also confirmed you are currently processing the documents you previously agreed to provide in response to Requests 1, 3, and 5, as well as the Trinity and CoreCivic contract, and will be providing those to us early next week.

Additionally, you agreed to inquire into the Rule 30(b)(6) deposition of Trinity in the *Owino, et al. v. CoreCivic, Inc.* litigation and whether you can provide us with the transcript of that deposition. We stated that the transcript could help us narrow and clarify our search terms and our anticipated Rule 30(b)(6) deposition notice to Trinity.

You declined to run the remaining search strings that Plaintiffs proposed, relating to discipline, grievances, and food (rows 8-10 and 12-13), on relevance and burden grounds. With respect to Request 6, you stood by your objection to providing internal communications about the contract. As a result, you declined to run the search strings that Plaintiffs proposed related to Trinity’s internal communications

¹ Attached to this Letter is a revised version of the proposed ESI search terms document that reflects a correction in the search string related to Plaintiff Gonzalo Bermudez Gutiérrez (row 6).

about that contract. You also maintained your objection to Request 4, which asks for identity and payroll information of Trinity staff at SDC. We reiterated the relevance of that information to our claims. We agreed to request court intervention on those issues within the next two weeks.

Finally, you reiterated your request to be compensated for \$20,000 in costs for complying with the subpoena. We stated we cannot negotiate costs with you without an accounting of what work is included in that number. You agreed to provide us with that information.

Please let us know if I have misstated any portion of our conversation. We appreciate your continued attention to this matter.

Kind regards,
